

Ararat Center Pathfinders Campaign

Assist in paving the way to the future by remembering the past

Ararat Center Pathfinders Campaign Assist in paving the way to the future by remembering the past The Pathfinders Campaign is symbolic of a community working together to pave the way to a bright and secure future for this facility by remembering the past. A common area of the Ararat Center has been paved consisting of engraved bricks. This area is serving as a touching tribute to those that survived many adversities to pave the way for future generations of American-Armenians. It is also a wonderful gift idea for birthdays, anniversaries, graduations, and for your camper to help them remember their experience at the Center. Or simply make your support of the Ararat Center known by leaving your permanent mark through a personalized brick. Purchase one today and add to our expanding commemorative walkway. Each donor will receive a certificate of ownership.
